

SENIOR CUSTOMS ANALYST II – WINNIPEG, MB
WINN 00011

Company Information:

Cargill is an international provider of food, agricultural and risk management products and services. With 153,000 employees in 66 countries, the company is committed to using its knowledge and experience to collaborate with customers to help them succeed. For more information, visit <http://www.cargill.com>.

Position Overview:

As a member of the Cargill's Tax & Customs function, assist Cargill's U.S. importing and exporting business units in complying with all Canadian Customs requirements. Responsibilities will include providing customs training to business units, developing, reviewing and verifying business unit compliance manuals and procedures, and providing operational guidance to the business units. Actively engage in the establishment of a global customs function. Support global risk assessments and risk mitigation strategies.

* This position pays full relocation. We prefer this position to be located in our Winnipeg offices. However, Cargill Inc. is open to the possibility of telecommuting or remote work share if the candidate so desires.

Principal Accountabilities:

30% - Assess risk areas and help formulate plans to achieve compliance with customs regulations in Canada and globally.
25% - Assist business units in developing procedures, manuals, control procedures, training, and action plans.
15% - Help conduct in-house audits & compliance testing.
10% - Coordinate customs issues within Cargill - ensure consistent actions across business units.
10% - Educate business unit personnel on customs compliance.
10% - Perform miscellaneous job-related duties as assigned.

Position Criteria:

University degree	Required
5+ years experience in customs compliance or customs consulting.	Required
Solid analytical skills/good decision-making judgment	Required
Good interpersonal and communications skills (works closely with various business units and governmental agencies)	Required
Demonstrated ability to lead/manage projects.	Required
Self-starter/ability to work independently	Required
Licensed Canadian Customs Broker or Certified Customs Specialist	Desired
Knowledge of Cargill's import business	Required
